STAT

SUBJECT : Claim for Damaged and Destroyed Property

1. Attached is Form 3926 describing three items that were badly damaged or destroyed while in storage with Fidelity Storage Company during my PCS assignments to Abidjan and Seoul Bureaus.

2. I had optional insurance with Fidelity to cover possible damage. However, Fidelity is now out of business and there is no way to collect, or even to pursue a claim.

3. Therefore, I am claiming through Agency channels a total of \$680.00 for repair or replacement of the items listed on Form 3926. The breakdown is as follows: 1) \$425.00 for repair of antique Golden Oak table; 2) \$95.00 for repair of antique mahogany tilt-top table; 3) \$160.00 for replacement of 19th Century covered tureen which was damaged beyond repair (this figure includes appraised value of the tureen and \$10 for the appraisal, which of course would not have been necessary if the tureen had not been broken). Written repair estimates for the two tables, and a Certificate of Appraisal for the broken tureen, are attached.

4. Please let me know if you need anything else from me concerning this claim.
